

Immediate job opening for a part time temporary position (22.5weekly)

For 18 months maternity leave replacement

Early Childhood Family Resource Centre of Westmorland-Albert Inc

New-born New Life bilingual program coordinator

The Canada Prenatal Nutrition Program (CPNP) is a community-based program that provides support to improve the health and well-being of pregnant women, new parents and babies facing challenging life circumstances.

The goals of CPNP are to improve maternal-infant health, increase the rates of healthy birth weights, and to promote and support breastfeeding. The program also aims to promote the creation of partnerships within communities and strengthen community capacity to increase support for vulnerable pregnant women and new parents.

Qualifications:

The candidate must have a minimum of 2 years experience as a group facilitator with families with young children; have a college or university degree in the field of early childhood, nursing, nutrition, social sciences or any other related field. A parenting facilitator training in Nobody's Perfect program will be considered an asset. A great knowledge of pre-and post-natal care is essential. The candidate must demonstrate excellent communication skills in both official languages, in interpersonal relations, be autonomous, flexible and able to work alone or in a team in a confidential and reassuring environment without judgment.

Other specific conditions of employment:

- i) Valid New Brunswick driver's licence and a reliable car
- (li) Police and SD checks
- (III) Valid First aid courses including CPR
